- Everything you need to get you safely in the water fitted as standard
- Perfect for the avid fisherman or the first timer
- A range of engines available including tiller control
- Fully CE tested and certified and rated for 4 persons

**The Sea Swift 435 offers it all**

## Perfect for the avid fisherman or the first timer the Sea Swift 435 offers it all

The Sea Swift 435 is designed to deliver unparalleled performance in both quality and safety. Ideal as either a fast day fisher or a family day tripper, the boat has been rigorously tested to the highest standards. Only the highest quality materials are used in its production and is delivered with just about everything needed as standard.

Fully configurable with a range of engine sizes (including tiller controlled) it ensures that it is ideally suited to its intended purpose. Built in buoyancy such as the cabin seating combined with a double skinned and sealed deck area makes the Sea Swift 435 very stable in the water. The boat is finished in white with a grey, non-slip floor.

Because it is a completely new setup the package comes with a full manufacturers warranty.
