## Sea Swift 435

### WHY SEA SWIFT?

We set the standard for quality, style and affordability.

### VERSATILITY

Whether you're looking for family fun or high speed performance, from novice or experienced, there's a Sea Swift that's perfect for you. From a nippy little RIB to exciting hard boats, the quality and value are obvious.

### AFFORDABILITY

We specialise in the sale and brokerage of quality boats, RIBs and inflatables at affordable prices. Our fully configured craft meet the needs of today's boating enthusiasts.

### QUALITY

Advanced hull designs, and quality UK manufacturing techniques deliver high performance and stability.

The Sea Swift 435 is designed to deliver unparalleled performance in both quality and safety. Ideal as either a fast day fisher or a family day tripper, the boat has been rigorously tested to the highest standards. We use only the highest quality materials in the production of this very popular model and, like all of our crafts, it is delivered with just about everything needed as standard.

As you would expect, the Sea Swift 435 is fully configurable with a range of engine sizes (including tiller controlled) resulting in

a boat that is ideally suited to its intended purpose.

Built-in foam buoyancy such as the cabin seating combined with a double skinned and sealed deck area makes the Sea Swift 435 very stable in the water. The boat is finished in white with a grey, non-slip floor.

Because it is a completely new setup the package comes with a full manufacturers warranty.
