

# 3D Tender RIBs

## X-Pro Commando Range

### WHY 3D Tender?

We set the standard for quality, style and affordability.

### VERSATILITY

Whether you are looking for family fun, a high speed RIB a work boat or a lightweight tender, 3D Tender has a boat for you. So many applications with so many options, we assure you of top quality service throughout your purchase and throughout the ownership of your boat.

### AFFORDABILITY

Value for money has built the 3D tender brand in Europe and we will continue with that ethos in the UK, we are sure you will not find a better value craft anywhere in the UK.

### QUALITY

Advanced designs, top quality materials, new models arriving every year, state of the art CAD design and build with a warrantee to back it up

The Xpro Commando Black is a fold away range of boats with a non slip aluminium floor and inflatable keel as standard across the range.

This boat is superbly built and is designed for the harshest of use.

1600DTEX gives you a much more robust boat than most competition, the inflatable keel gives you the stability and handling of a real boat and the full package of options including 2 adjustable benches with

underseat storage bags, bow bag, bow tent, overall cover and carry sacs has all your needs covered.

Tow eyes, lifting points, 7 lift handles, reinforced tubing, Great styling and a real professional feel make this the best fold away boat available today

# 3D Tender RIBs
