

3D Tender RIBs

X-Pro Lightweight Aluminium Range

WHY 3D Tender?

We set the standard for quality, style and affordability.

VERSATILITY

Whether you are looking for family fun, a high speed RIB a work boat or a lightweight tender, 3D Tender has a boat for you. So many applications with so many options, we assure you of top quality service throughout your purchase and throughout the ownership of your boat.

AFFORDABILITY

Value for money has built the 3D tender brand in Europe and we will continue with that ethos in the UK, we are sure you will not find a better value craft anywhere in the UK.

QUALITY

Advanced designs, top quality materials, new models arriving every year, state of the art CAD design and build with a warrantee to back it up

Our Leisure range of aluminium tenders look great and work very well as a tender or small boat.

The G4 aluminium hull is very well designed and beaching will not pose a problem due to the keel protection band fitted as standard to all our aluminium RIBs.

Non skid deck patches and an adjustable aluminium bench seat help you remain comfortable at sea and an all over cover is supplied as standard as are oars a pump and repair kit.
